Sir,

Referring to your Proceedings No 637 dated 20-8-1918 in re: the management of the Holakere Virakti Matt at Belakavadi I have the honour to represent that though the Swami has agreed and the Government has ordered that the Swami "should - arrange to have all the debts and encumbrances on the Mutt properties discharged within a period of 6 years from the -- date of this order", the Swami still owes to this Jaghir a - sum of Rs 3652-13-5 in the shape of kandayam including W.R etc due on the lands enjoyed by him besides court costs and interest accruing up to date. The Swami and the Agent were - duly sued in the District Munsiff's Court at Seringapatam -- and in consequence of the decree passed against them by the - Court, execution proceedings were taken and they were arrested on a civil warrant and produced before the Civil Court. The lands on which the arrears were due have been placed under -- attachment by the Civil Court and steps are being taken to bring the lands to sale. In the meanwhile the Swami has requested me to put off the execution proceedings for some time pending amicable disposal of the matter out of court. He --

proposed

proposes to mortgage some of the Inam lands with the posession to me on condition that out of the proceeds of the lands -- annually I should recover the annual dues as well as a portion out of the arrears due as above. At this rate the lands may have to be in my possession for atleast 15 years or so if not more in order that my dues may be fully recovered. As your - Proceedings under reference stipulates that the Swami should discharge all debts within a period of 6 years from the date - of Proceedings and as the lands proposed to be mortgaged to me are Inam lands granted by the Mysore Government I find it nece sary to intimate and obtain your permission before I could -- settle the matter with the Swami and take the lands on --- mortgage with possession for the period of 15 years or more. I request you will kindly consider this matter and be pleased to issue early orders so that if necessary I may press my -- claim in the Court in the usual course and bring the lands to sale if the arrears cannot be recovered otherwise. A copy - of his last petition is also enclosed for reference with the copy of the endorsement dated.

I may further state that the impecunious condition of the Swami is such as not to enable him to pay up the arrears by any other means. The amount which is due to me as the -- Jaghirdar is purely water rate and other cesses, which sum, - the property of the Mutt is legally bound to pay.

By acceding to the wishes of the Swami, to effect an usufructory mortgage of some of the lands, not only the - legal debts will be cleared but the lands also will revert to the Mutt free of any kind of encumbrance after certain number of years.

I have the honour to be,
Sir,
Your most obedient servant,

JAGHIRDAR.
